Spotlight On American Front: Where Violence, Nazism, and Familial Criminality Collide

Who Is The American Front?

American Front (AF) is one of the longest, continually running, white supremacist groups in the United States. AF came to be in 1984, and was founded by Bob Heck. During the early years, Bob Heck worked with Tom Metzger, the leader of White Aryan Resistance (WAR). Metzger was later sued in a groundbreaking law suit for his involvement with East Side White Pride (ESWP) leading up to the brutal murder of Mulugeta Seraw in Portland, Oregon.

In 1990, Bob Heck relocated to Portland, Oregon, and began recruiting for American Front. American Front became one of the larger white power groups in Portland, and their

membership at one time included Randy Krager, who later went on to form the white power group Volksfront. Bob Heick reportedly left the group in 1995, and it has had unstable membership since then.

Notable known members from the area, from the 90's are Randy Krager of Portland, now relocated elsewhere, and Steve Shallenberger of Eugene. Shallenberger is now very active in the far-right patriot movement and has been regularly seen attending Joey Gibson's (Patriot Prayer) far right rallies. Steve Shallenberger, who was known to be very active in passing out AF literature in the 90's, almost lost his ear when he challenged a member of the Anti-Racist Action (ARA) to a one-on-one fight during a confrontation. Steve obviously lost the fight, but amazingly (barely) kept his ear.

Ask him about it next time you see him at a rally, it's a great story we'd love to keep reminding him about!

Steve Shallenberger Tries to Go Legit

Steve 'One-Ear' Shallenberger (left) and Thorfin Odinson (right), both well-known white supremacists pictured while attending a Patriot Prayer rally

After moving from Portland to Eugene, Steve Shallenberger somehow managed to blend into the community. He infiltrated The Boreal, a grassroots all-ages punk rock and antifascist venue where he became the "Community Outreach Coordinator." He also currently serves as the president and vice president of the Oregon Herpetological Society. Shallenberger lives in the West Eugene, Barger area and can be seen frequenting alt-right rallies in Salem with Joey Nations, and in Portland with Joey Gibson. At a recent Portland rally, Shallenberger was seen punching protesters and kicking activists in the head.

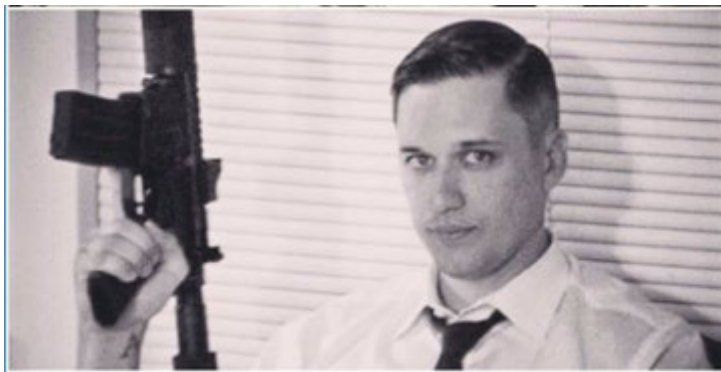

The Front Fizzles...For A Little While

After Bob Heick's departure from American Front and Portland, AF fizzled out in Oregon and other groups such as Volksfront formed and largely replaced AF. Florida and California remained very active for the small remaining factions of American Front. On May 5th, 2012, ten members of the Florida branch of American Front were arrested and charged with paramilitary training, and shooting into an occupied building. On November 12th of that same year, Marcus Faella was convicted for his part in attempting to incite a race war and sentenced to only 6 months. Marcus Faella hired Florida attorney (and known white nationalist) Augustus Sol Invictus to appeal his conviction.

Augustus Invictus, Jake Laskey And Their Connection To American Front

Austin Gillespie aka Augustus Sol Invictus aka Romulus Augustulus

Augustus Sol Invictus (who's real name is Austin Gillespie, but he thinks Augustus sounds cooler) has been tied to American Front in more ways than just legal representation, as well as other known fascist organizations such as Operation Werewolf and the Wolves of Vinland. Invictus has visited Portland in the past, and Jake Laskey seems like quite the fanboy by the following conversations:

incarcerated for an attack on the Temple Beth Israel Synagogue in Eugene, Oregon. Part of his conviction also included being a felon in possession of a weapon, trying to arrange to have witnesses in his case killed, and calling in bomb threats to the courthouse where he was being tried. Laskey, in the past, was involved with both the American Front and then later, Volksfront. Shortly after Laskey's release in 2015, there was a resurgence of the American Front in the Medford and Eugene areas. Most of the local American Front activity has taken the form of networking with other racist and white nationalist groups like the PNW Wolfpack/Hammerskins in Olympia, WA. The members act as local bullies and harass local business owners while, themselves, trying to make a buck off their AF apparel line, shoddy books, and cheap cosplay grade weaponry through regional gun and knife shows and the "armory" in Creswell, Oregon.

Jake Laskey handling Weapons

Jake Laskey is recently married to his longtime girlfriend Amanda. They live in Creswell in a Laskey family home. Jake can often be seen at local MMA competitions. He is a big fan of Jimmy Jennett who owns Checkered Past MMA, and can be seen in recent videos on Wolfclan Armory's YouTube channel wearing the t-shirt while threatening antifascist activists. Jimmy Jennett has failed to call out his white supremacist fans including Jake, Cory Colwell, and Devin Wolfe.

American Front And Jimmy Marr

Eugene American Front members are routinely seen with local Springfield Neo-Nazi Jimmy Marr as well as working and hanging out at Wolfclan Armory in Creswell, Oregon.

(Pictured above: Kyle Nelson, Nathan Valdez, Devin Wolfe's son, unknown, Rhiannon Dark, Amanda Laskey, Devin Wolfe, Jeffrey Thomas, Jake Laskey, unknown, unknown, Judy Marr, Jimmy Marr, unknown, Cory Colwell)

Jimmy Marr, or as he is commonly referred to “Genocide Jimmy,” has recently made connections with the American Front crew. Marr lives on G Street in Springfield, Oregon, and drives around in a truck with racist and white supremacist messages and images. He often banner drops racist messages on overpasses along the I-5 corridor between Medford and Seattle.

The Laskeys And Jake's Troubled Relationship With Firearms

Wolfclan is owned by Jake Laskey's parents (Jeanette and Allen Laskey). Jake and his brother Gabriel (also convicted of the same crime as older brother Jake) often work at the shop. We're pretty sure that Jake, as a felon, isn't allowed around weapons, much less allowed to sell them as a condition of his parole. One would assume he wouldn't be allowed to fraternize with neo-Nazis and publish hate speech books due to the nature of the crime he was convicted for. Jake's probation officer, Todd, can be reached here: (541) 431-4065.

(Pictured above: David Lynch, left; East Coast American Front organizer who was shot to death in his home in California on March 2, 2011.)

Members of American Front in Oregon recently started a Facebook page called Greystorm Productions, LLC where they sell AF support gear, Dave Lynch memorial shirts, and regularly post videos featuring white power bands. Greystorm Productions, LLC is a legal business entity operating in Oregon. Greystorm Productions, LLC is registered to Michael McDonald, who is a known associate of Jake Laskey, and a known member of the current incarnation of American Front living in

the Coos Bay area. Interestingly, Greystorm Productions, LLC, is registered to the Portland address **1724 SE Tenino St. Portland, Oregon 97202**, as well as the **PO Box 82389 Portland, Oregon 97282**. The address used for the LLC, **1724 SE Tenino**, is also known as *The Sellwood Center*, a city run Section 8 housing complex. This address also happens to be the address of known American Front member Jeffrey Thomas AKA Jay Gray AKA J Skin, who can be seen daily walking his dog around the property, or grabbing milk at the convenience store down the street, while wearing American Front and Anti-Antifa apparel. Jeffrey's past affiliations include Nationalist Socialist Movement (NSM), and the Volksfront affiliated "Blood & Honor American Division." We wonder if the city of

Portland would be happy to know that one of Oregon's largest white power organizations happens to be running their business selling racist apparel from a city owned Section 8 housing complex. **The Sellwood Center can be reached at 503-280-3940.**

Chad S., or as he is commonly referred to, “Fashy Chad,” is a neo-Nazi living in a duplex in Corvallis, Oregon. He is frequently seen alongside Jimmy Marr when out making appearances in Marr’s “Nazi-mobile” and while executing banner drops between Eugene and Albany. Chad is a wanna be firearms instructor, but actually isn’t certified or qualified despite his Craig’s List advertising and website promoting. He drives a white pickup truck with Oregon plates. Fashy Chad marched with Joey Gibson’s Patriot Prayer group earlier this year on NE 82nd and was recently spotted seig heiling outside of Jimmy Marr’s house in a Holocaust denial demonstration.

Pacific Northwest Wolfpack

Pacific Northwest Wolfpack logo

The Pacific Northwest Wolfpack formed in 2016, out of Olympia, Washington, is comprised of mostly old Hammerskins and other independent white nationalists. PNW Wolfpack member Daniel Brett Rowe, aka Bret Thomas of Richland, who recently relocated to Olympia, was arrested in 2016 (awaiting trial) for the stabbing of an interracial couple in Olympia, WA, and two other members, Robert J. Fechtner and his girlfriend Cassie L. Hickam, were later arrested for attempted bribery of witnesses. Recently they have been tied to members of American Front such as Jake Laskey and Edward Mack AKA William Iron (singer Ironwill).

Operation Werewolf (OWW), run by Paul Waggener, gets its name from the guerilla German resistance force organized by Hitler in 1944, during the decline of Nazi control. OWW is a strategic feeder group for the Neo-Masculine Fascist group Wolves of Vinland (WoV). Wolves of Vinland is based on the fascist theories of Julius Evola. Operation Werewolf has members in Oregon and have connections to American Front via Jake and Gabriel Laskey as shown in the photos below.

Final Word

Jake Laskey and his crew have been very busy rebuilding the American Front in the Pacific NW, and have been building a substantial network of members and allies, along with a troubling system of income and branding through merchandise sales distributed through Greystorm Productions LLC. American Front has a very violent and deadly history and must be stopped.
